C. Objective of Consultancy Services or Brief TOR

Terms of Reference (TOR) for Conducting Training with OJT

1. Background

The Enhanced Skills for sustainable and Rewarding Employment (ENSSURE) project is established under a bilateral agreement between the Government of Nepal and the Government of Switzerland with the **goal to assist Nepalese workers particularly from disadvantaged groups to benefit from continuous employment and an improved standard of living**. The Council for Technical Education and Vocational Training (CTEVT) implements it with the technical assistance from HELVETAS Swiss Inter cooperation Nepal. The project works with partner companies, industry associations, training providers (TPs) and National Skill Testing Board (NSTB) diligently with aims of enhancing the living standard and employability of workers through skills development training. The project offers three different types of trainings: apprenticeship, training courses (NSTB Level 2) and further training to existing workers (in-service training). The primary target groups are the Nepali youth especially from the Disadvantaged Group.

The ENSSURE plans to provide Training with OJT of Level 2 to 6800 youth within the first phase of the project (2016 to 2019, extended up to June 2021). This TOR is prepared for procuring the services from the training providers to provide training courses of 1696 hours as per the CTEVT curricula. In this regard, competent training providers having adequate facilities for managing training and able to coordinate with concerned industries for On the Job Training (OJT) are requested to submit their proposals in consortium with the industries for managing OJT to the trainees in the related occupations. The occupational sectors are hospitality, construction, Electrical, mechanical and automobile.

2. Objectives of the Assignment

The main objective of the assignment is to deliver quality skill training for the targeted beneficiaries following the CTEVT curricula; managing their skill testing and placing them for sustainable and rewarding employment in the trained occupations. Other objectives are to:

- Ensure that the targeted beneficiaries have participated in training
- Ensure the quality of training as per the developed quality indicators/criteria this includes quality delivery by the instructors, coaching by the supervisors/mentors in the industries
- Confirm that trainees receive adequate practical (in-house practice and OJT) experiences as per the curricula and agreed criteria.
- Confirm that theory and practical sessions are well balanced during the classroom-based instruction following the defined criteria by CTEVT (20% theory and 80% practical)
- Ensure the maximum participation (pass rate is minimum target 90%) of trainees in the skill testing
- Ensure that graduates are facilitated to be employed in the competitive job market

3. Scope of Work

In line with the above stated objectives, the TPs will be responsible to provide skills training (both off-the job and on-the-job) in close coordination with the consortium industries and with concerned association/local chambers and with ENSSURE. The TPs will also facilitate and assist training graduates for getting into the employment in the related occupations. Followings are the scope of work:
